# SELECTMEN'S REPORT.

---

To the Citizens and Taxpayers of Northumberland :

In accordance with the requirements of the laws of the State of New Hampshire, we herewith submit our report for the fiscal year ending Feb. 15, 1914, for your consideration.

During the year we retired water bonds amounting to \$2500.00. We also paid town sewer notes of \$3000, for which only \$1000.00 was assessed. We also wish to call attention to the fact that we expended and paid for sewer extension on Cumberland Street and Crow Hill the sum of \$2243.20, for which no assessment was made. Our instructions were to issue town notes for this work, but we are glad to report that it was not necessary to do so. We also made a payment of \$500 on the steam roller, for which no money was raised.

On account of the heavy washouts last spring, the road agents were obliged to exceed the amount of the appropriations for highways, but we believe that it was necessary and the money was judiciously expended.

We also call attention to our County tax, which was \$1606.73, instead of \$1181.88, as assessed. This occurred through an error on the part of the County officials in sending their warrant for the wrong amount. When we received the corrected warrant it was too late to correct it in our assessment.

We are pleased to be able to report a good substantial cash balance at this time and believe that our taxes can be materially reduced this coming year by

taking into consideration the money on hand in raising and appropriating money. About \$3000.00 of this money will be used March 1st to retire water bonds of \$2500 and interest on the balance outstanding.

In conclusion, we wish to thank all the citizens of the town who assisted us in many ways in the performance of our duties.

Respectfully submitted,

F. F. WARREN,	}	Selectmen of Northumberland.
